PRICE PLEDGE

If we can get the commitment of 3,000 adult fans, then season tickets will be slashed to £230, £10 a game.

Let's "Take Wrexham Higher" with a Supporters Pledge!

The Club has announced that it will freeze all season tickets next season making this the Third successive season of prices staying the same, however on top of this.

Following the success of the "Take Wrexham Higher" campaign, with having the highest home league crowd in 27 years and finishing eighth in the league with an average attendance of 5,000, the Club has issued a pledge to all supporters.

For next season, if we can get 3,000 pledges of adult supporters buying season tickets we will reduce the price further to £230 that's £10 a game. This will mean that we will have one of the most competitive prices in the football league.

ADULTS £10 A GAME | SENIORS £7.80 A GAME | JUNIORS £3.50 A GAME

This pledge will reward fans who show their support early on in the season and will help the manager at a crucial stage of the year.
